For the first time after a long wait we witnessed a fully packed stands at historic MAC Stadium during the 3rd ODI match between India and Australia. At this juncture, with our hearts filled with gratitude, we sincerely thank our most respected former President Shri N. Srinivasan, our guiding light, for his guidance and expertise.

The TNCA also hosted various BCCI fixtures including Ranji Trophy Col C.K.Nayudu Trophy and the Cooch Behar Trophy at Chennai, Coimbatore, Natham, Tirunelveli and Theni centres. We were happy to host the 7 home games of CSK during the Tata IPL 2023 between 3rd April 2023 and 14th May 2023. The TNCA took a major step in launching a dream project, the Talent Hunt for Boys (only bowlers) and Girls. The extensive and exclusive program saw Talent Scouts travelling across the state to spot talent. The selected talent are being coached and nurtured under the watchful eyes of the TNCA Academy coaches. It was a herculean task and we need to compliment all those involved in selections and organization of this program.

The other milestone is the launch of Satellite TNCA Academies at Theni, Tiruppur and plans are underway to launch more centers at Trichy and Madurai. The Bhoomi Pooja for construction of 24 rooms at Salem was held on 7th July 2023. We are happy that all the programs and League have started as planned for the season 2023-24.

SHRIRAM CAPITAL TNPL 2023

The 7th season of Shriram Capital Tamil Nadu Premier League (TNPL) organized by the Tamil Nadu Cricket Association kickstarted on the 12th June 2023 at Coimbatore. TNPL has played a vital role in identifying talented young cricketers from across the state. This year the tournament was held at Coimbatore, Dindigul, Salem and Tirunelveli.

All the teams participating in the Tamil Nadu Premier League have been selecting their players through a draft system in the past seasons, but this year for the first time in Tournament history each team had selected players through an auction which was held in February 2023 with an auction purse of Rs. 75 Lakhs for each team.

Sai Sudarshan who played for Gujarat Titans in the Indian Premier League was bought by Lyca Kovai Kings for Rs 21.6 lakhs and was the most expensive player in the TNPL auction. He was bought at a higher price in the TNPL auction than in the IPL auction thus showcasing the rapid growth of TNPL.

The eight teams participating in the Tamil Nadu Premier League are Ba1sy Trichy, Chepauk Super Gillies, Dindigul Dragons, iDream Tiruppur Tamizhans, Lyca Kovai Kings, Nello Royal Kings, Siechem Madurai Panthers and Salem Spartans. Ruby Trichy Warriors was bought by Drumstick Productions and renamed Ba1sy Trichy earlier this year.

TNCA TALENT SCOUT PATHWAY PROGRAM

THE TNCA TALENT SCOUT PROGRAM 2022-2023

The Tamil Nadu Cricket Association (TNCA) in its endeavour to take the game of cricket to remote areas of the State has conceived the TALENT SCOUT PATHWAY PROGRAM. The exclusive program is designed to spot raw talent and to enhance and develop the best bowling talent (Medium Pacers and Spinners) among boys and the best talent among girls and assist each player to realize their potential.

TNCA has formed the Talent Scout Wing, which includes eminent former first-class cricketers and coaches to unearth hidden talent, especially in the districts. The TNCA has created a plan to create a clear pathway to identify the players.

The highlights of the Program include:

- Exclusive selection trials would be held in 13 District Centres for medium pacers and spinners.
- Those players aged between 14 & 24 years are eligible to attend the trials.
- The players attending the trials should not have played for the Combined Districts teams in the last THREE years in any age category .
- The TNCA Academy would design programs for every individual camps to improve player skills and fitness.

THE TNCA TALENT SCOUT PROGRAM-BOWLERS (BOYS)

With the increasing popularity of the shorter versions of the game, there is an immediate need to unearth bowlers, especially for the longer format.

TNCA announced the launch of this ambitious effort to unearth bowlers among boys in a Press meet held on 25th January 2023. Shri R Ashwin, Indian Cricketer launched the program at the Press Meet held at VAP Hall, TNCA Club.

The herculean search for bowlers across the State commenced on 11th February 2023 and concluded on the 7th May 2023.

FINANCIAL STATEMENTS
TOGETHER WITH AUDITOR'S
REPORT FOR THE YEAR ENDED
31ST MARCH 2023 AND THE
BUDGET FOR THE YEAR 2023-2024

Report for the FY 2022-23

From the desk of the Hon. Treasurer:

With the help and cooperation of all the Honourable Members, BCCI, Players, Coaches & Support Staff, all the Government agencies and all others connected with the game, it was a wonderful year of cricket activity and I thank all these people for the successful completion of the cricket season during the Financial Year 2022-23.

After Covid situation, we were eagerly started to conduct more Cricket Activities to nurture the talented Men & Women players by conducting talent scouting programs in both City and District, State Colts Teams matches, Participated Invitation Tournaments & conducted Round Robin matches for Women, etc.

Further we have conducted the Future Talent Tournament (Inter Collegiate Tournament) for both Men & Women and we have also organised Inter District - SS Rajan Trophy under Flood Lights.

During this year we have completed the construction work of Kalaignar M. Karunanidhi Stand (A&B Stand) and MCC Stand (L-Stand) and the same was inaugurated by the Honourable Chief Minister of Tamil Nadu, Mr. M.K. Stalin along with the Youth Welfare and Sports Development Minister Mr. Udhayanidhi Stalin, Former President of TNCA, BCCI & Former Chairman of ICC Mr. N. Srinivasan and Former Captain of Indian Cricket Team Mr. Mahendra Singh Dhoni on 17-03-2023 and followed by successful hosting of India Vs Australia ODI match on 22-03-2023 with entire stadium crowded with spectators.

Further we are hoping to resume other cricket activities which were left out due to Covid in the upcoming season.

The entire Team of office bearers worked hard and in unison, fully discharging their responsibilities with utmost care and professionalism. We were of course ably supported by the ever alert and competent staff of TNCA.

Financial Results:

The Annual Receipts for the FY 2022-23 stood at ₹ 104.61 Cr. which includes Interest received from Bank Deposits, receipts from BCCI, Surplus from India Vs Australia ODI, Miscellaneous Receipts and Sundry Balance Written Back – Nett.

The Annual Expenditure for FY 2022-23 was ₹ 69.61 Cr. consisting mainly of expenses towards Lease Rent, conducting Domestic, National & Zonal Tournaments, Development Expenditure, Administration Expenditure, Other Expenses, Repairs & Renewals, Flood light Maintenance, along with the Depreciation & Financial Expenses.

This led to a net Surplus of ₹ 35.01 Cr. for FY 2022-23 against a Surplus Budget of ₹ 15.81 Cr. which was planned. The main reason for the Surplus as follows:

- BCCI releasing payment of ₹ 94.50 Cr. as Media Rights Subsidy and IPL Subsidy and the same have been treated as Income. Kindly note that the TNCA has fully received the subsidy up to the period of FY 2019-20.
- India Vs Australia ODI was conducted successfully with the surplus of ₹ 5.43 Cr.
- In National Tournaments category – Women’s U-23 One Day & T/20 Tournaments were not conducted resulting to reduction in expenditure.

INDEPENDENT AUDITOR'S REPORT

To the Members of The Tamil Nadu Cricket Association

Opinion

We have audited the Financial Statements of The Tamil Nadu Cricket Association (the entity), which comprise the Balance Sheet as at 31st March 2023, and the Income and Expenditure Account for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the entity as at 31st March, 2023, and of its financial performance for the year then ended in conformity with the accounting principles generally accepted in India.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by Institute of Chartered Accountants of India (ICAI). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the Code of Ethics issued by ICAI and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the state of affairs, results of operations of the entity in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Later in February 2015, the association was asked to show cause, why sale of tickets for matches conducted by the Association should not be considered as utilisation of Flood Light System for commercial purposes and thus the duty exempted be demanded along with interest and penalty.

The submissions and arguments of the association were rejected and Order in Original no. 35419/2015 dated 27th February 2015 was passed by the Commissioner of Customs, Chennai demanding ₹ 2,28,15,875 along with applicable interest. The Commissioner also ordered confiscation of the Flood Light System as it was cleared by executing an undertaking, however with an option to redeem the same by payment of fine of ₹ 28 lakh. The matters relating to the termination of the MoU is being contested and is pending before the Hon'ble Madras High Court.
